Missed Flu Vaccinations

Message from NHS: Public Health England/NHS shall be texting all parents on Monday 17th January 2022, to advise that they can still book their child in for a flu vaccination. This is in response to recent media activity about health impacts of flu on children.

The text will direct parents to contact 119 service should they have missed the flu sessions in schools.

Please note that parents can contact the Intrahealth flu vaccination team on the email below to book in appointments this month. (Ideally giving school name/borough and a contact number in the email)

Many thanks for your support.

Photographic Competition

Message from St Stephen's:

St Stephen's Church is running a photographic competition which is open to all ages and it would be great if any of the children (and staff) would get involved. The subject is "Life after Lockdown" which should give great scope to the imagination – the only rule is that it must have been taken after May 2021. Holidays, school activities and social events would be a good starting point. The competition only closes at the end of January, so there will be plenty of photo opportunities over the Christmas period too.

I'm sure that there are lots of aspiring photographers amongst the children and it would be a great way to encourage them in this rewarding hobby. Group projects as well as individual entries can be entered and photographs from mobile phones, tablets, smart watches as well as cameras are all acceptable. Multiple entries are allowed, just email everything to Mrs Owen and she will forward them for you.

We will be arranging a date in the new year when all the entries will be shown and the judge will comment with helpful photographic tips and advice for the entrants - and of course announce the names of the prize winners.

I really hope that this is something that the school might be involved in.

Kenneth Wallbank, St Stephen's Church

Groupcall Emails and SMS Messages

Please contact Mrs Ousey in the school office or Mrs Owen if are not receiving Groupcall email messages (for example, this newsletter is emailed every Friday as well as being on Facebook). Sometimes we are missing or mis-spelling your email address and very occasionally there is a computer error. We will put you on the system asap if you let us know.
