School Christian Values Trophy For Thankfulness Rodrigo Y4

Thanks to FOSS for the Halloween cupcake activity today. All allergies and intolerances have been catered for and also Asda has provided free Halloween sweets! Everything has been hygienically prepared and quarantined of course.

Poppies will be on sale after half term from the school office. We are trying to do this in a Covid safe way. Money can be put straight into the collection tin in the office and there is hand gel available. Adults can buy poppies at the school office at any time during the day for a couple of weeks after half term but this year please do not send money with your children for poppies. They will not be sold to children in classrooms in the usual way, just from the school office to parents and carers.
