

## Our Curriculum Impact

Let Your Light Shine Through Family, Friendship and Faith

We are immensely proud of our children and the learning opportunities/ experiences that we are able to provide.

Right at the heart of all of teaching, decision making and leadership is God. We place our journey as leaders and learners in his hands and know that we will be guided in the correct way. With this in mind, our curriculum is ever changing in order to meet and address the ever changing needs of our pupils. Through our teaching, we confidently send our children on their way at the end of year four with the following qualities:

The confidence to flourish

Confidence to have a voice for change in the world

Confidence to make a difference

Confidence to stand up for what they believe is right and proper

Good Christian values to carry them through life

Confidence to make mistakes, learn from them and move on

Resilience to keep going when work/ life is hard

Understand the importance of honesty and telling the truth, even when it is hard to do so

Appreciation of God's love and God's world

Appreciation of the importance of family, friendship and faith

Good role models to others

The importance of giving to others

To love and respect themselves as well as others

Self-esteem through Christ-Esteem..... To name but a few.

As we say goodbye to our year 4s.....

This is always such a sad day, as we have seen these wonderful children blossom and flourish right before our eyes over the years. However, they leave us as happy, confident, well rounded and well balanced individuals, aware and proud of their uniqueness. We are sad to see them leave, but know we have done our job.
