### Changes for a Few Classes Regarding Drop off/ Collection Places

As from Monday 2<sup>nd</sup> Nov (first day back after half term), we have made the following changes:

#### Hedgehogs

Please bring children to the green gate in the morning rather than through the main reception area.

#### Owls and Deer

If children are coming to breakfast or after school club, and are in owl or deer class, both will now take place in owl classroom. To access this classroom for breakfast and after school club, please use the normal side gate.

#### Badgers and Squirrels After School Club

This will continue to operate from the hall, but please can we ask that when parents enter the reception lobby, they wear a mask. Thank you for your cooperation.

### Update on Village Hall Carpark

The Parish council have confirmed that parents are not able to park in the village hall car park and enter the premises through the gate. However, parents who park/ live on the Longton Road, are able to access the premises along a lane (further along the Longton Road from the village hall). At the end of the lane, the gate onto our playground will be open. This access to and from school is available from 2<sup>nd</sup> Nov (first day back after holidays).

### Lollipop Person

I am unsure if there will be a lollipop person crossing the children over after half term. I am waiting to hear back from the highways department. If this is not in place after half term, please continue to park there, but take care when crossing over.

Thank you for our cooperation.

Have a lovely half term everyone.

Best wishes Mrs Clarey and Team
