

PE Primary Funding

The Government have allocated funding to Primary schools to spend on three key priorities for academic years 2013/2014, 2014/2015, 2015/2016 and 2016/2017. This funding has been ring-fenced and therefore can only be spent on PE and sport in schools. These three key priorities are:

- Improving the quality of physical education.
- Improving the opportunities for competition and school sport, including extra-curricular activities.
- Developing healthy and active lifestyles.

To address the above priorities we have developed an action plan that can be viewed below. The funding will be used to address each action plan priority. This will include staff release time from class, CPD programmes, schemes of work, equipment, competition entries and extra-curricular activities.
