## Swimming

All schools must provide swimming instruction either in key stage 1 or key stage 2.

In particular, pupils should be taught to:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]
- perform safe self-rescue in different water-based situations

Battle Hill Primary School currently offers swimming lessons for all children in Year 3. They attend a local swimming pool every morning for a period of four weeks. Children are taught by qualified swimming instructors who follow guidelines set out by the Local Authority. As most of our children do not have access to swimming lessons in addition to those provided by the school, we have arranged for those children that are not able to swim competently, confidently and proficiently over 25 metres to have extra swimming lessons.

Other indicator identified by school: Additional swimming provision for Y6 children.				Percentage of total allocation:
				3%/97%
<ul style="list-style-type: none"> <li>• Ensure all Y6 pupils achieve 25 metres thus meeting the statutory requirements of the national curriculum for PE.</li> <li>• All pupils can perform safe self rescue over a varied distance so they are confident and safe in water.</li> </ul>	<ul style="list-style-type: none"> <li>• Renegotiate additional pool space in summer term 2, for a four week block.</li> <li>• To utilise the coach based at the swimming pool to work alongside teachers.</li> </ul>	£620	<ul style="list-style-type: none"> <li>• 36 % of pupils can swim over 50 metres.</li> <li>• 69% of pupils can swim 25 metres at year 6.</li> <li>• 69% of pupils can perform safe self rescue.</li> </ul>	<ul style="list-style-type: none"> <li>• Money will be ring-fenced each year in order to ensure the maximum number of children in year 6 can swim 25m.</li> <li>• The teachers will work together to ensure all staff involved are confident and secure in teaching swimming.</li> </ul>
