## A message from Mrs Medley

I hope that you enjoyed your half term break. This half term we will be learning about people who help us and the summer.

## Physical Development

We will be practicing on the field for our sports day. Focusing on both large motor skills inside and outside. Lots of fiddly fingers activities – such as threading, connecting parts and dough disco.

## Sun Safety

Please remember to apply suncream before Nursery – do not send this in with your child as we are unable to apply this.
