

## Balance Bike Sessions - Reception

---

Dear Parent/Carer,

As part of our school's involvement in the **Walk Wheel Cycle (formally Sustrans) Active Journeys** project, your child has the opportunity to take part in **'Balance bike'** sessions on **Tuesday 28<sup>th</sup> April**.

These sessions will take place **during the school day**, using balance bikes provided by the Walk Wheel Cycle Trust (formally Sustrans). These sessions will be for about **45 minutes** and will include fun games and activities to help start your child on their journey to riding a bike or just enjoy practising their skills.

You will not need to bring a bike, unless your child has their own balance bike they would like to use. Helmets will also be provided but if your child would like to wear their own helmet, then please ensure that they bring it into school on the day.

Please click on the link or scan the QR code by **Friday 24<sup>th</sup> April** to give permission for your child to take part in these sessions.
