**By your child attending Bearwood Primary and Nursery School, you are agreeing to the school's values and ethos outlined below. Please ensure you have talked through this with your child.**

Our Home School Agreement describes ways in which the school can work in partnership with parents and children. We believe that an effective home-school partnership is essential for the successful education of children. By working together, we can ensure that each child becomes happy, confident and secure and will grow up to be a valuable member of the community. Alongside our vision, we will develop confident communicators, independent learners, ambitious achievers and global citizens.
