

# Nursery Open Adventure time!

Tuesday 21st April 2026

10:45-11:45am

We would like to invite you to come and spend Adventure Time with your child in our Acorn and Oak 1 classrooms.

Adventure Time is a special part of our EYFS day where children initiate their own learning through play. During this time, children choose activities that interest them and are supported by staff to explore, investigate, and develop new skills at their own pace.

Adventure Time focuses on the three prime areas of learning:

**Physical Development** – building strength, coordination, and confidence through movement and hands-on play

**Communication and Language** – developing speaking, listening, and understanding through conversations, stories, and play

**Personal, Social and Emotional Development** – learning to share, take turns, build relationships, and develop independence

By joining us for Adventure Time, you will be able to see how your child learns through play, how we support their development, and how everyday activities help build important early skills.

We look forward to welcoming you into our classrooms and sharing this special learning time with you and your child.
