

Year 2 Scooter Skills

Tuesday 3rd February

Walk Wheel Cycle Trust are offering free Scooter Skills Sessions for Year 2 children on Tuesday 3rd February.

The sessions are an hour and will take place during the school day. Scooters and helmets can be provided. Please indicate when signing up if your child requires a scooter. **Due to the limited number of smaller helmets, we request that children bring their own correctly fitting helmet if they have one available.**

The children will learn how to balance on and control their scooter around corners and obstacles, how to safely come to a stop using the brakes, and how to keep everyone using the pavements safe. Please make sure your child is dressed for the weather.

Walk Wheel Cycle Trust is the charity making it possible for everyone to walk, wheel and cycle.
