

School Uniform

We are very proud of our children and want them to take pride in themselves too. A smart school uniform is a really important way to do this, so we expect children to wear clothing only from the options listed here.

This applies to all children in Reception - Year 6.

Why bother with a school uniform?

We love our Bearwood Primary & Nursery School Uniform. It is important to wear clean, tidy clothes for many reasons:

To create a feeling of pride

To be safe and practical for learning

To provide a sense of belonging and teamwork

To reduced distraction away from learning

To create a sense of order and purpose within school

To reduce peer pressure relating to clothes children might otherwise wear
