Learning, Enjoying & Succeeding Together

Our Wishing Tree

This year as a school we are working together to provide presents for children in our community who will be going through a hard time this Christmas. The aim is for as many people from the school community to take a gift tag, buy & wrap a present and then bring this back into school, with the tag attached.

Gift tags can be taken any time and the last day for presents to be dropped off at the office is...

Monday 15th December 2025

The gifts will then be passed onto the children in time for Christmas!

What can the present include?

The tags have specific information about the age, gender and interests of the child (e.g. girl, aged 5, likes colouring). The present does not have to be expensive, about £5 is suggested however it needs to be brand new rather than second hand goods. We would like to show these children that they are valued through careful consideration for what they would appreciate.

If you take a tag then it is expected that the present will be bought, wrapped and brought back into school.

Thank you all in advance for your generous giving!
