

A message from Miss Watts

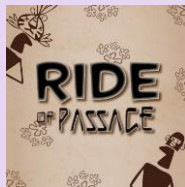

Hey everyone,
Summer one is here!

As always if you ever need anything, don't hesitate to come and chat ☺

Miss Watts

Writing

In our current writing unit, Year 3 are exploring the short film Ride of Passage. The children are learning how to describe characters and settings using rich and imaginative vocabulary, write clear sentences using conjunctions and accurate punctuation, and understand how adventure stories are structured.

Reading

In reading lessons, Year 3 will take part in our twice-weekly 'Reading Theatre' sessions, where they will learn to build confidence and skill in reading aloud, developing their pace, fluency, expression, and prosody. Books will also be coming home weekly.

Maths

In Maths we will be looking at Angles, Shapes and Measures:

Week 1	Week 2	Week 3	Week 4	Week 5	Week 6
Angles and shape			Measures		
<ul style="list-style-type: none"> Identify angles including right angles and recognize as a quarter of a turn Identify and draw parallel and perpendicular lines Draw/make, classify and compare 2-D and 3-D shapes Measure the perimeter 			<ul style="list-style-type: none"> Read scales with different intervals when measuring mass and volume Weigh and compare masses and capacities with mixed units Estimate mass and capacity 		

Science

Our science topic this half term is "Plants". We will be learning about the functions of parts of flowering plants. The requirements of plants for life and growth. The way in which water is transported within plants.

Geography

This half term we will be learning about weather and climate. We will learn about: The different regions of the UK and the weather patterns in these regions.

Art

In Art we will be learning about sculpture and perspective. We will learn about the sculptor, John Chamberlain. We will then design and create our own sculpture using a wire armature and foil

PE

In PE we are going to be doing Striking and Fielding (outdoor/ Miss Watts) on **Friday** and OOA (outdoor/ Miss Watts) on **Thursdays**.
