## *Learning, Enjoying & Succeeding Together*

Wednesday 3<sup>rd</sup> June 2026

Dear Parents & Carers,

### **Sharing of photographs from Year 6 Residential Trip**

We are now in a position to share the photographs and videos that were taken during the trip to PGL at the start of the year. We apologise that this has taken quite some time to get these to you – we have been working on ways to make these accessible to all. Thank you for your patience and understanding!

This year we have arranged for the photographs to be shared in an online folder via a Microsoft One Drive link. From here you will be able to access and download the photographs you would like to keep. The Microsoft One Drive link will be emailed to you and we will restrict access only for the children who took part in the trip. The folder will only be accessible until Friday 3<sup>rd</sup> July 2026, after this date it will not be possible for you to access the photographs.

Before we can send the link to you, we need the consent of all the parents to allow the photographs to be shared in this way. If you agree to the following, you do not need to do anything:

- I give consent for the photographs and videos of my child taken during the Y6 PGL trip be shared via a Microsoft One Drive link with restricted access.
- I understand that only the children who attend the trip and their families will have access to the Microsoft One Drive Link and will be able to download the photographs and videos.

**If you do not give consent to sharing the photographs in this way then please email the school office by 10<sup>th</sup> June.**

After this, you will receive further instructions and the Microsoft One Drive Link.

As per our online safety policy, we advise that photographs containing children other than your own must not be to be shared on social media.

Yours Faithfully,

Mrs Smith  
Headteacher
