meetings

Safeguarding Matters

We are fully committed to ensuring that consistent effective safeguarding procedures are in place to support families, children and staff in the school community.

If you are worried about a child or need to contact a member of the

Safeguarding Team, please call the school office on 01202 590703 or email: school@bearwood.poole.sc.h.uk

This week's information...

English Open Classrooms

We would love for as many parents/carers to attend our English Open Classroom events taking place W/B 27th January. A list of dates and times are attached in this week's communication. Please click this link to sign up:

We would love to see you there!

Coats!

As we continue to have cold spells of weather, please ensure that your child has a coat in school with them each day. Thank you.

Attendance Matters!

In this week's communication we have attached our attendance leaflet which outlines the importance of attending school. The winter months can bring coughs and colds, and we totally appreciate it when children are not well enough to attend school. Please ensure that you send your children into school with warm coats and that they are dressed appropriately for weather conditions. More information can also be found on our school website

<https://www.bearwood.poole.sch.uk/parents-info/information/attendance/>

PFA – Valentine's Day Disco

The PFA are running a Valentine's Day Disco on the 14th February. See the attached poster to sign up.

Supporting mental health and well being

The mental health and wellbeing of our children is a priority here at Bearwood. Each week our children take part in Stormbreak sessions to help them build their self-worth, confidence, relationships, hope and optimism. Have a look at their website to find out more and ask your child about which ones they like to do in school!

<https://stormbreak.org.uk/videos/filter>

In this week's communication there is an information sheet signposting you to different apps you can use with your child to support their wellbeing and some useful tools to aid sleep. Why not take a look.

Headteacher – Mrs Cheryl Smith

Deputy Headteacher – Mrs Hayley Goodfellow
