Maths open classrooms

Parents and carers – you are invited in to join your child for a maths session between 19th and 23rd May. This will provide you with an opportunity to see how maths is taught and to work alongside your child. Please complete this short form to request your place, before 9am on Friday 16th May.

Morning café

If you haven't yet tried our morning café – why not pop along? Every child is offered a free breakfast (cereal, toast, yoghurt, fruit and more) every single day from 8.30. There is no need to book – just follow the toast train before 8.45.

Wrap around care

Premier have released their activity timetable from next week. If you book into a “before school” session, your child will automatically be entitled to the free breakfast offer from our morning café. They have really listened to our children and have included dodge ball and cookery sessions.

Attendance Matters

In this week's communication we are re-sharing our Attendance One Page Summary. It is important to recognise that children who are attending school every day achieve better academically and socially. Pupils fall behind their friends and classmates when they miss school. At Bearwood we want the amount of missed education to be reduced as much as possible. We believe that our community is stronger together, with all of our pupils in school, on time, every day. We are building life skills, life-long friendships and preparing your child for future success.
