Reminder – Poetry Assembly – Maple Base Parents / Carers

Items from home...

We have recently had an increase of toys coming into school from home. We are aware that some children use toys or 'cuddlies' to help them transition into school, however, these often become a distraction during learning time. In school we have sensory equipment and 'cuddlies' to help support with regulation when required and therefore we ask that toys are taken home during the day. Thank you for your support in this matter.

Safer Internet Day – Tuesday 11th February

Next Tuesday we will be recognising 'Safer Internet Day' through completing activities and an assembly all about keeping safe online. This year's theme is 'Too good to be true? Protecting yourself and others from scams online'
