Learning, Enjoying & Succeeding Together

Wednesday 8th January 2024

Dear all parent/carers of Bearwood Primary & Nursery School,

RE: PINS Project – Parent / Carer Meeting

As you may have seen from previous correspondence Pearl and I are from Parent Carers Together, the parent/carer forum within the area of BCP.

Your voice and experiences will be invaluable to us and your school as part of this national project that is underway, known as PINS - **Partnerships for Inclusion of Neurodiversity in Schools**. We would like to have a further opportunity to meet with you informally. We have arranged to be at Bearwood on Wednesday 22nd January 2025 at 10:30am.

This meeting is held within the school space, however school staff will not be present at these meetings unless we have agreed together with you the parent/carers for this to happen.

Your confidentiality is key within this to ensure you are able to share your voice, your experiences and as a result, we here at Parent Carers Together are able to meet with relevant staff within school to help carve a pathway to build on bettering the partnerships with you the parent/carers and school in relation to your neurodivergent children in school.

Please note that this project is needs led, meaning that a diagnosis is not required for you to attend - you may not have even had a conversation with anyone about your thoughts around possible neurodivergence for your child.

If you do have any questions, please do get in touch.

Please see below the link to our PINS webpage, further information about us and the project, alongside our contact details are on this page.

We look forward to meeting with you on Wednesday 22nd January to be able to introduce ourselves further/meet again and most importantly, hear from yourselves.

Best wishes,

Sammie and Pearl
