Session overview

Is your child due to start school in September 2026? If so, we'd love for you to join us for a special Teddy Event at the Family Hub! Bring along your teddy (you'll soon receive one from your current childcare setting) and enjoy a range of fun, engaging activities for you and your child to enjoy together. You'll also have the chance to chat with a variety of professionals who can support you with any questions about starting school. If you child is not currently attending a childcare setting, please speak to an Early Years Worker at your local Family Hub, who will be able to advise you on how to receive your teddy.

Day/Date: Saturday 25th April
