

# SCHOOLS *Linking*

This year **20 schools, 28 classes** and **785 children** make up Rochdale's Schools Linking family

Linked primary classes have been to visit **M6 Theatre**, giving them the opportunity to take part in activities that rebuild social and emotional wellbeing and recover the confidence that has been lost during the pandemic.

## OUR WISHES FOR THE WORLD

During their visit to M6 Theatre children were asked to share their wishes for the world. Our young people are amazing. Here are their wishes for the world.

### NO MORE HURTING

end wars, stop fighting, **not one more child gets hurt**, no more bombs and bullets are made, world peace, animals are safe and cared for

### TAKE CARE OF THE ENVIRONMENT

recycle, stop littering, protect trees, **save our planet**, protect nature, don't waste paper, use electric cars, stop building power plants, stop forest fires, keep plastic out of the ocean, look after our eco-systems

### JUST SHOW KINDNESS!

help each other, look after the elderly, **be friendly**, congratulate one another, make sure everyone has enough, laugh more, **share and play together**, be respectful, help others to be less lonely, don't use people, say no to bullying

### PEOPLE ARE EQUAL

**end racism**, everyone to get the medical care they need, don't judge a book by its cover, for people with disabilities to be included equally, **treat people as equals**

### LET'S BE BETTER

be grateful, be brave, say prayers, believe in yourself, **never give up**, spread resilience, donate to charity, be happy, bond together to end world hunger, reject violence, be a good listener
