

# Keeping You Posted

10th July 2020

Dear Parents,

It has been exciting to see more of our children again with the transition meetings taking place either by Zoom or in person on the field. Despite arranging these in phases, it has created a real buzz with many things to talk about. We have missed everyone but are looking forward to welcoming all year groups back in September. They will be in class 'bubbles' in their school uniform. Further details are to follow.

Please do not hesitate to get in touch if there is anything we can help with

## Anderton Centre

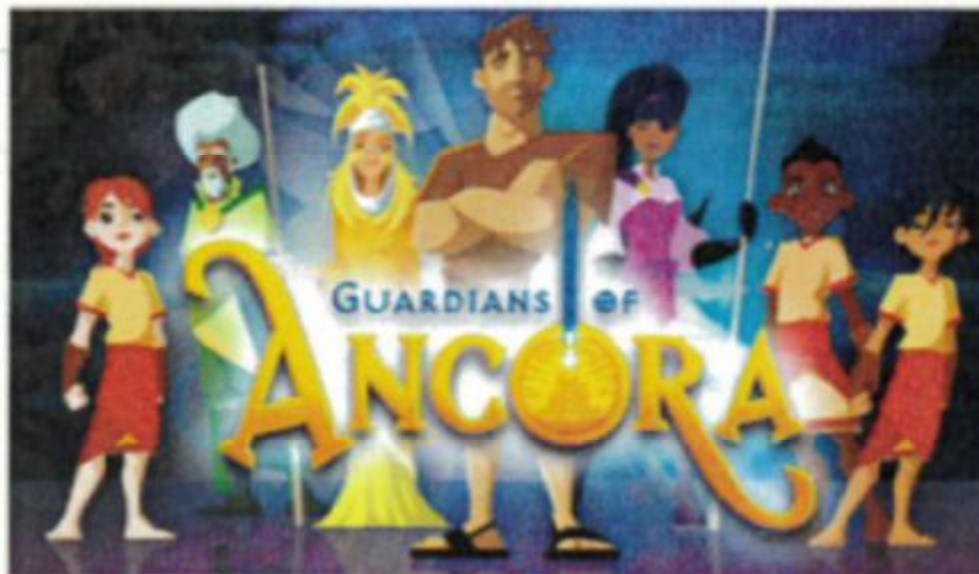

Year 6 will be visiting the Anderton Centre on Monday and Tuesday to take part in some outdoor activities. We know it is not the same as the Isle of Man but hope they will enjoy it. They also have a music festival to look forward to on Wednesday as well as a Leavers' Presentation evening on the field. Thank you to Mr Smith for organising these events.

## End of Year Reports

School reports are being sent out electronically by ParentMail today. The reports are different to previous years taking into account the unprecedented situation. There is a general comment and a comment for both English and Maths. In addition to this, there is information about how your child is as a learner, their personal and social development and effort grades in other curriculum areas. There will be an opportunity next week to discuss the report with your child's teacher (either by email or telephone) should you wish to do so.

## Laptop Connectivity

Please could you complete the questionnaire which has been sent out regarding laptop connectivity. Thank you.
