

Dear Parents,

Well the weeks certainly seem to be flying by at BGL with the children working hard in all classes. This has been great to see and also the continuation of their friendships when they are playing.

I must say a special thank you to Mrs Cawood who kindly sent in some of the plans for the rebuilding of BGL dated 2002 after the school had burnt down. They belonged to her grandma who also used to go to BGL but sadly passed away only recently. It is also interesting to find out how many people's families are connected to BGL. There always seems to be a link somewhere. The fire and rebuilding are often talked about and forms a valuable part of our school history. If anyone has any other local history artefact or photos we would love to see them.

Thank you to everyone for complying with the request to wear face masks when dropping off and picking up children. Everyone working together should help to make a difference.

Mr Melling

## Local Authority Questionnaire

Please remember to help your child complete the local authority questionnaire mentioned last week. The more responses received, the more useful the information will be to school. If you do have any problems completing it then please get in touch with school and we will do our best to support you. The deadline for completion is Monday 12th October.

## Headlice

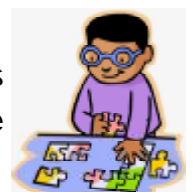

We have had a report of headlice in school. It is important that you check your child's hair on a weekly basis so that headlice can be dealt with quickly and to prevent them spreading. It is advisable to check everyone in your house and to start treating all cases of headlice on the same day. Thank you for your co-operation.

## Jigsaws and Puzzles

If your children have any jigsaw puzzles/pattern creating puzzles which they have outgrown or no longer want. We would love to take them for use in class! Thank you.
