

### Biggleswade Academy - Parent Forum - 15/05/2024

Issue / Question / Concern	Answer
<p>Can all the parents have a meeting record of what issues or recommendations have been raised or discussed in the meeting? We could then avoid raising duplicate/noted topics. For parents couldn't attend, we would love to hear the updates as well.</p>	<p>Notes from each Parent Forum from the past two years are available on the website.</p>
<p>I believe that we should be encouraging healthy eating habits and currently the school does not sufficiently support this. I don't think children need to have a dessert after lunch every day and if they do it should be yogurt or fruit. My daughter has developed an obsession with thinking that desserts come after every meal which is not something we do at home and should be reserved as treats.</p>	<p>There are two parts to set price for a school dinner, main and dessert. Desserts do take the form a choice between a sweet pudding, fruit or yogurt.</p>
