

Parent Forum - 29th January 2025

Each term, the school has a Parent Forum, a Staff Forum and each half term a Pupil Form, to continue to build the partnerships with all Stakeholders of the school.

The Forums are not a decision making group but a chance for parents/carers, staff and pupils to share ideas for improvement and ask any questions.

Issues Raised	Discussion	Any Actions
Parking arrangement	Poor and inconsiderate parking was raised at the Kiteland Road entrance, Could bollards be installed, similar to the Mead End entrance?	Mr Steer to contact the local council
Homework support at Dawn to Dusk	Dawn to Dusk does have the facility to help children with homework. Any child or parent can request that homework is completed whilst at the clubs	Mr Steer to speak to Dawn to Dusk
Can the school set electronic versions of books as homework?	Teachers with experience of this at other schools have reported it wasn't successful. As a school we would want to encourage the love of reading and books, and have invested heavily in reading books.
