Dear Families

Next week on **Wednesday 19th June** our wonderful Friends of Birdsedge are holding a fundraiser event...our first ever Birdsedge colour run. From **2pm** we invite families to come and join us on the school field where there will be the

colour run course, refreshments to purchase and some fun time to spend together. Colour Runs are becoming an increasingly popular way to bring people together and raise money and we hope this one will do exactly that. There will be a short course on the school field with 'colour stations' along the way, where our volunteers will be throwing clouds of coloured powder over the runners/walkers.

A few key things to note:

- If children wish to participate, this can be purchased on Parent Pay
- Those children taking part should bring a change of clothes to school – a white t-shirt is recommended for the full effect but any clothes you don't mind getting covered in the powder are fine
- The event will be well structured with small groups of children at a time running the course and clear areas for spectators. Safety glasses and hair nets are available and provided by school for all participants.
- There will be a grown up event where parents, carers and staff (yes I'll be getting involved) can complete the course and children can purchase powder to throw on the grown up event!
- The colour powder is safe to use for such events and a full and detailed data sheet of ingredients is available should you wish to see this before the event for any allergies or concerns, just request from the school office.

We do hope as many of you as possible will come along and support and join in the fun. A big thank you, as ever, to Friends of Birdsedge for providing another fun event for children and families.

Kindest Regards

Mrs D Waddington
