

Friday 26th February 2021

Weekly Parent Reminders

1. I will be sending you a letter on Monday with the return to school arrangements for all children on Monday 8th March. School timings will remain the same but there a few things to look out for in terms of where to drop off, PE kits and bringing items to school. We have tried to keep this as straight forward but as safe as possible. We really can't wait to welcome everyone home 😊
2. Thursday 4th March is World Book Day. Children in school and at home are invited to dress as a book character on this day. Teachers have some World Book Day linked activities planned for the day too for all children.
3. Monday 8th March As well as being the day we welcome everyone back, this is also Science week and we will be ensuring we have some interesting and exciting learning and activities linked to Science going on in school this week. What a great way to return to school!
4. Friday 19th March is Comic Relief's Red Nose Day. School Council have suggested a red themed non uniform day for a donation of £1. They are also planning some fund raising activities to take place on the day and will be writing to you by the end of next week with their plans.
