### Seaside Week

Our Final 'Birdsedge Brilliant Books' themed week will run from Monday 11<sup>th</sup> July and be linked to all things summer and seaside! At the end of the week, on **Friday 15<sup>th</sup> July**, with the help of Friends of Birdsedge, we will be holding a Family 'Birdsedge by the Beach' celebration from 2pm onwards and running after school.

We thought this would end the week on a high, be a wonderful reward for children's hard work and be a great send off for our Year 5 children before they start their early transition.

### Friends of Birdsedge

Thank you to this amazing group who are constantly working in the background to support school. Tuck Shops and Secret Shops have been happening this half term and the school lottery continues to be available [Support Birdsedge First School when you play Your School Lottery - Your School Lottery](#) All bringing in important funds for school. Thank you for everyone's ongoing support.

**Monday 20<sup>th</sup> June 2022**

Dear Families

I hope like me you are enjoying the sunshine that June has brought. I love the summer term in schools, the feeling of pride as you reflect coming towards the end of a school year and the feeling of excitement at new beginnings and opportunities coming in September. We have been busy planning recently what provisions in school will look like in September for teaching and learning and are keen to share this with you. Please see below for details of an information meeting I am going to hold here at school to talk through these. I know I could put these in a letter but having you in school and meeting in person is much nicer ☺ and still quite special when I think back to last June and we were still so limited in being able to do this.

We have five weeks left together this school year and we want to make them count! We have some exciting things planned so please do see dates for your diary below.

Mrs. Waddington ☺

### Parent Information Evening

On Tuesday 28<sup>th</sup> June 2022 at 6pm, I would like to invite all families to attend an information evening with myself here at school. I wanted to share with you some updates around school improvements this year and my plans for the next academic year ahead. I will pull all of this together into an information booklet available after the meeting for anyone unable to attend. Look forward to seeing you there ☺
