Dear Families

Saturday will be two years to the date that I had my interview for the job here at Birdsedge. So, this week has been such a week of reflection for me. What a two years, what changes, what adventures and what an amazingly wonderful time to feel so proud of. Thank you to all of you for welcoming me, trusting me and being on every step of this journey to being the Birdsedge BEST with me. I hope you all have such a lovely half term break together as a family and we will all look forward to welcoming you back for the final half term of the school year...let's make it a great one. Mrs. Waddington ☺

OFSTED Parent View

Did you know that parents can share their views about a school at any time? It would be really appreciated if families could use the link below to complete the questionnaire about our school at a time convenient.

Thank you!

Governor Update

Last term we said goodbye to one of our school governors Dr Andy Williams. Andy has been a huge support and champion to myself and our little school and we thank him immensely for all his time and wish him all the best. This term we also welcome Mr Phil Marshall to our Governing Board, another huge supporter of small schools and Birdsedge and thank him already for his time, support and commitment to school.

Catering

Attached with this newsletter is the new menus for the Summer Term with the exciting addition of a packed lunch option for children. We are also running an exciting 'Lunch A Thon' Competition – again further details are attached and on the school website.
