

18<sup>th</sup> July 2022

Dear Parent / Carer

**School Meals Price Increase September 2022**

In line with other Kirklees Primary Schools, we will be increasing the cost of a school lunch at Birdsedge First School and Shelley First School from September 2022. The price will increase to £2.40 per meal.

I am sure you will be aware of the impact of inflation on food costs but rest assured that we will continue to ensure school meals remain affordable, offer good value for money and a wide selection of options to cater for all of our children.

We thank you for your continued support.

Kind regards

Natasha Greenough  
CEO – The Mast Academy Trust
