Dear Parents,

Re. Shelley Pyramid Cycle Races

As in previous years, the Shelley Pyramid Sports Co-ordinators have organised a series of inter school cycling races for all age groups. These will be approximately 10 minutes long, on grass and are open to any child who wishes to take part, however, they **MUST** be pre-registered with the school office to be entered please. Every child will receive a certificate for participating and the top 3 girls and boys in each group will win a medal. Each child must provide their own bike and helmet. Strict adherence to social distancing guidelines and hand sanitising will be required by both children and adults attending each event. **Please note, no toilet facilities will be available.**

The race information is as follows:-

- **Tuesday 6th July at Kirkburton Middle School** – Keystage 1
4.00pm - Reception and Year 1 children
4.30pm – Year 2 children
- **Tuesday 13th July at Scissett Middle School** – Keystage 2
4.00pm – Year 3 children
4.20pm - Year 4 children

Please complete and return the attached slip or email the office office@birdsedgefirst.org to enter your child. Entries must be received by Friday 25th June please.
