Dear Families

I am so excited to be writing to you to introduce myself properly as Class Teacher at Birdsedge First School. Having spent time in school over this academic year as part of my studies, I already feel part of the team and cannot wait to be here, with your wonderful children, every day from September.

Throughout my time already, I have spent a lot of time in Class 3 but also got to know the current Reception children very well too and I am looking forward to meeting all the new faces joining us soon 😊 I'll be here as much as I can during the summer term to support the class to be ready.

A few fun facts about me are: I love sports (all of them but, gymnastics is my favourite), reading and being outdoors as much as possible. Also, alongside being a teacher, I teach and practice yoga which is something I love to incorporate into my teaching and lessons for children. I am very passionate about creating a positive and fun classroom environment, using yoga and active learning where we can in lessons and working with you all to have an amazing Class 1 team!

If you see me around school from now, please do not hesitate to come and say hello! I am so looking forward to getting to know you all better.

Kindest Regards

Miss Laycock
