

# School Council Update

Thursday 5<sup>th</sup> November 2020

Dear families

This week the School Council have been busy organising what they would like to do in school for Children in Need on **Friday 13<sup>th</sup> November**. Representatives have held class council meetings with the children in their class and gathered ideas from across school.

From this, the School Council have decided to have a 'Break the Rules' day for all children in school on Friday next week. To have some fun and raise money for a cause they feel is very important. For a donation of £1, which will all go to children in Need, children across school can join in with not following some rules for the day (School Council were very keen to ensure this was safe and fun for all so have agreed the rules that are allowed to be broken for the day!)

- 1. Not wear uniform** – no uniform for the day, children can dress as they please – spots, stripes, pyjamas, fancy dress.... the choice is yours!
- 2. Bring Juice instead of water in their water bottles** – dilute/squash/cordial can be brought in water bottles on this day
- 3. Wear nail varnish and make up if they wish!**
- 4. Play games or watch a movie instead of one of their lessons** – this will be of the children's choice

There will also be learning about Children in Need and how funds raised are used as well as an outdoor Pudsey Hunt in the afternoon.

We hope children will enjoy the day planned whilst raising some money for such a worthy cause.

Thank you for your continued support

Mrs Waddington and the School Council
