Scotland's Landscape: Physical Features

I can describe the major characteristic features of Scotland's landscape and explain how these were formed.
SOC 2-07a

What are the physical features of a landscape?

Can you list some of the physical features of Scotland's landscape?

Circle the words in the table below that are physical features of Scotland's landscape:

bridges

mountains

football stadiums

rivers

glens

hills

motorways

islands

coastline

lochs

Choose one of the physical features of Scotland's landscape; what facts can you find out about it? Write your facts in the space below.

Something extra...
Think about how you
could present these
facts to the rest of
the class!

Scotland's Landscape: Physical Features

I can describe the major characteristic features of Scotland's landscape and explain how these were formed.
SOC 2-07a
