

Hello Everyone,

Just a note to say how much we are missing you and your families! This is an unusual time and we are thinking of you and sending our best wishes to you.

Please try to:

1. Get some fresh air and exercise
2. Eat and sleep well
3. Wash your hands regularly
4. Enjoy this time with your loved ones

If you can, we would like you to complete the schoolwork sent home. If you can't do it all just do your very best. Please try to read regularly as this is important and it is also a great thing to do – escape in those stories!

Please stay safe and we look forward to seeing you as soon as we can.

Love from all of the team x
