

The Mast Academy Trust NEWSLETTER

A Warm Welcome

Academy would like to welcome you to the catering facility within The Mast Trust Academy. We are a dynamic, vibrant catering company and we believe our commitment for quality in all aspects of food service is unrivalled in providing freshly prepared meals in Education.

Below & overleaf, we have detailed sample information about the catering service as well as a guide to the menus & theme days we provide at the School.

Nutritious & Delicious

We produce delicious & healthy meals every day. To help us achieve this we have a dedicated Company Nutritionist who analyses our menus to ensure they are compliant with allergen legislation & the standards set out in The School Food Plan. All our team are fully allergen trained to the Food standards agency requirements.

Parent Pay Cashless System

Parent pay is the smart cashless payment system. It is safer than carrying cash and makes it easy for parents or guardians to monitor what their child is eating.

Free School Meals

If you are entitled to free school meal you can be assured of complete confidentiality with our cashless system. All our menus are designed to promote inclusivity and there will be a range of meal deals to fit the £2.35 FSM allowance in all of the Mast Trust Schools.

Did you know that if your child is in year 1 or 2 you are automatically entitled to a FSM for your child.

Feedback

Your thoughts and suggestions about the catering service are important to us as they help us to continually improve the food and service we offer. You can let us know what you think via any of the following options:

- Speak directly to any member of the catering team
- Speak to your school office who will pass your comments to us.

Theme Days

We hold regular theme days and events which offer added variety and interest, they encourage students to come into the restaurant for a nutritious and delicious lunch experience. Also coming soon – interactive fun events during the lunch and post lunch time provisions
