Dear Parents and Carers

I hope this letter finds you all well and settled back into the routine of school.

Like last September, during these first few weeks our priorities have been ensuring children settle back into the new routines of school and carrying out baseline assessments to inform our planning and teaching. Following this, we would like to offer an opportunity to give all parents an update of their child's learning and how they have settled back into school. I am delighted to invite you all to make an appointment to come into school and meet with your child's teacher in person on **Monday 18th October 2021** with appointments available from 3:30pm – 6pm

Please can you complete and return the slip below ticking as many times that would be suitable for you to attend a meeting here at school. If you are unable to attend on this date or would prefer not to meet face to face, please do not hesitate to contact me here at school. Teachers will send a response, with the time of your appointment next week.

Thank you for your continued support

Mrs D Waddington
