Behaviour was an issue, we have had some children with challenging behaviour this year. However, we do pride ourselves on taking an individual approach when it is needed especially with children who have additional needs.

Homework was mentioned and you are keen to know how to help your child more.

You would like more time to look at your children's work, rather than just a Parents Evenings.

As a result we will:

1. Continue to follow the Pyramid Homework Policy which was agreed by all schools. We will consider how we can help with homework and we will ensure that there is feedback regarding homework.
2. Put together a working party which includes parents with a view to agreeing a behaviour policy that is fit for purpose.
3. Organise an Open Afternoon for parents to look at their children's work.
4. Organise parental workshops for the Autumn Term - we recognise the need to support parents, so they in turn can support learning.
