Other additional comments that we received:

Birdsedge is a school that allows children to develop within a small village environment.

My children are very happy at school. The teachers are very supportive of learning.

School staff are very supportive; nothing is ever a problem, especially the office staff and the Headteacher. THANK YOU

My child is very happy at school. He has made great progress and takes part in many after school activities.

Thank you to everybody for all they do.

Perhaps more extracurricular for the younger children.

We are very happy with our daughter's progress and the school.
