Please read the following statements before signing the digital consent form.

Terms of Consent

By signing this study consent form I acknowledge:

1. I have read and understand the information. I have had the opportunity to consider the information, ask questions and have had these answered satisfactorily.

2. I have received and read a copy of the Privacy Notice that explains how personal data is collected and used for the study.

By signing this study consent form I understand that:

3. If I am a close contact of someone who has tested positive, then I will be required to self-isolate at home as per current national guidance.

4. I will be required to provide a swab sample at home for a PCR test on day 2 and 7 of self-isolation and complete a brief survey.

5. All PCR tests are only processed after 2 weeks. Results of the PCR tests will not be available until after the self-isolation period.

6. I may be invited to speak to a researcher about daily testing and that participation is completely voluntary.

I am providing consent for:

7. My having a nose and throat swab for PCR test at home.

8. My sample(s) being tested for presence of COVID-19.
