

01.04.2020

Dear all,

This is a challenging time for all and we understand that many Year 11 students may have concerns regarding their next steps.

I would like to take this opportunity to reassure you that your place at Birkenhead Sixth Form College in September 2020 is secure.

In this period of uncertainty, you can be certain of our expertise in sixth form education, and that we have the knowledge, experience and skills to help you adapt to this changing environment. With that in mind, we will be in contact with you after the Spring Break with details of how we plan to ease your transition from this difficult and disrupted end to high school so that you can have a positive and calm start to your time at the College.

A number of you may have questions about your subject choices and/or wishing to change your options. There will be an opportunity for you to review your course choices at a later date and we are putting processes in place to help you with those decisions.

We are working hard to ensure we have the best ways to support you and so make this difficult situation as easy as possible. If you have any questions in the meantime, please email [enrol@bsfc.ac.uk](mailto:enrol@bsfc.ac.uk) and our Admissions team will be able to assist.

Many thanks,

Mike Kilbride  
Principal
