A Level Preparation Pack

Overview

The Fine Art department is very much looking forward to welcoming you in September. Fine Art is a diverse subject which will help you improve and develop your creative thinking and practical skill base. We will help you to see the world in a different way, to express your thoughts and to provide you with skills to develop a personal creative language. To help you step up to sixth form study, we have set out a range of resources for you to have a

look at over the next few months so that you feel confident that you have chosen a subject that you will enjoy and that is right for you.
