

Overview

The Geography department looks forward to welcoming you in September. We have an experienced teacher of Geography who will help you make the transition to the much greater demands of A level Geography and give you a lifelong love of the subject. We have collated a range of resources for you

to familiarise yourself with over the next few months to help you make the transition to A level.

Claire Morgan
Head of Geography

What is Geography?

The course is split into **Human** and **Physical** Geography and you will study 3 topics in each.

Human Geography

- Power of the Planet (Volcano) – Dailymotion.com

Activities

Throughout A Level Geography you will need to be able to demonstrate to the examiner that you read widely outside of lessons. Start by reading from the following websites:

Geographical Association / BBC News / The Guardian

Task

Here is a simple picture of the water cycle <https://water.usgs.gov/edu/watercycle-kids-adv.html>

Independent Research Task: write a short (500 words) essay 'How can humans impact on the water cycle?'
