| ...my child has coronavirus symptoms                 | ✗ Do not come to school  
✓ Contact school  
✓ Self-isolate  
✓ Get a test  
✓ Inform school immediately about test result | ...the test comes back negative                                                      |
| ...my child tests positive for coronavirus            | ✗ Do not come to school  
✓ Self-isolate for at least 10 days  
✓ Inform school immediately about test result | ...they feel better. They can return to school after 10 days even if they have a cough or loss of smell/taste. These symptoms can last for several weeks once the infection is gone. |
| ...somebody in my household has coronavirus symptoms  | ✗ Do not come to school  
✓ Contact school  
✓ Self-isolate  
✓ Household member to get a test  
✓ Inform school immediately about test result | ...the household member test is negative                                                   |
| ...somebody in my household has tested positive for coronavirus | ✗ Do not come to school  
✓ Contact school  
✓ Self-isolate for 14 days | ...the child has completed 14 days of self-isolation                                    |
| ...NHS test and trace have identified my child as a ‘close contact’ of somebody with symptoms or confirmed coronavirus | ✗ Do not come to school  
✗ Contact school  
✗ Self-isolate for 14 days | ...the child has completed 14 days of self-isolation                                    |
| ...we/my child travelled and has to self-isolate as part of a period of quarantine | Term time holidays, including absence as a result of needing to quarantine, are unauthorised.  
Returning from a destination where quarantine is needed: ✗ Do not come to school  
✓ Contact school  
✓ Self-isolate for 14 days - even if a test is negative | ...the quarantine period of 14 days has been completed                                    |
| ...we have received medical advice that my child must resume shielding | ✗ Do not come to school  
✓ Contact school  
✓ Shield until you are informed that restrictions are lifted and shielding is paused again | ...school inform you that restrictions have been lifted and your child can return to school again |
| ....I am not sure who should get a test for COVID -19 (coronavirus) | ✗ Only people with symptoms* need to get a test  
✓ People without symptoms are not advised to get a test, even if they are a ‘close contact’ of someone who tests positive | ...when conditions above, as matching your situation, are met                     |

* Symptoms include at least one of a high temperature; a new continuous cough; a loss of or change to your sense of smell or taste.
