

Bishop Aldhelm's CE Primary School

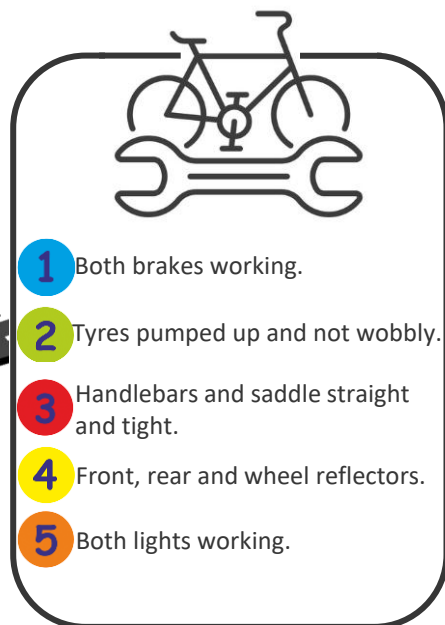

Cycling Policy

Our Policy Statement:

At Bishop Aldhelm's Primary School, we recognise both the **environmental and health benefits** of cycling to school and wish to promote safe cycling to school. Cycling gives children freedom as it provides an opportunity for independent travel. The school encourages cycling as a **safe and affordable** means of getting to and from school with minimal impact on the environment. **Parents are responsible for the safe transport of children to school.**

Benefits of Cycling:

Please Note:

Bishop Aldhelm's Primary School is not responsible for bicycles brought onto or left on the school premises and is therefore not liable for pupils' bicycles being stolen or damaged by a third party.

The Headteacher will notify parents/guardians if children do not adhere to the School Cycling Policy and permission to ride will be withdrawn until the issues identified have been satisfactorily addressed.

We strongly recommend that children who cycle to school are accompanied by an adult, until such time as the parent is confident the child has the knowledge and skills to be allowed to cycle unsupervised. In line with our 'walking home policy', only children in Year 5 and 6 will be given permission to ride their bike to and from school independently.
