Prayerful Reflection – 4th February 2026

As we near the end of our focus on our environment, this week we choose to think about being an advocate for something that we feel strongly about. This often takes lots of courage.

Proverbs 31:8

“Speak up for those who cannot speak for themselves...”

Dear God,

Often, we ask you to give us the courage to stand up in a crowd. This means, if we see something that we know is not right, is harmful to our world, the people in it or to you, we should do something about this. Help us to use our voices and our actions to make small but important changes. Amen.
