Prayerful Reflection – 7th October 2026

This week, we have taken time to reflect on Harvest. On Monday, our Harvest celebrations brought us together to explore this theme, with Key Stage 2 attending a special service at St Aldhelm's Church in the morning and Key Stage 1 holding their service in school during the afternoon. Through this time, the children explored the Parable of the Rich Farmer, which reminds us that true wealth comes not from hoarding our abundance but from sharing what we have with open hearts.

In their reflections, the children considered how the wealthy farmer focused only on building bigger barns for himself rather than looking out for others. They explored how our own blessings - whether big or small - are meant to be shared and how choosing generosity over self-interest helps build a caring, compassionate community where everyone is supported.

Putting this spirit of generosity into action, our school community contributed wonderfully to our Harvest Collection. On Tuesday, our House Captains, Head Boy and Head Girl delivered all of your kind donations directly to Poole Food Bank to support the vital work they do caring for families across our local community. A heartfelt thank you to everyone who contributed so generously.

Over the coming weeks, we will continue exploring how our school values guide our words and actions.

Luke 12:15: "Then he said to them, 'Watch out! Be on your guard against all kinds of greed; life does not consist in an abundance of possessions.'"

Our School Prayer: Dear God, Father, Son and Holy Spirit, May we be creative, have courage, and show respect. Teach us to work in unity and share your love with others. Help us to live by these values every day. Hear this prayer from all our hearts, Amen.
