INSET Days 2026/2027

(school closed for children)

Friday 27th November 2026

Monday 4th January 2027

Thursday 25th March 2027

Prayerful Reflection - 16th September 2026

This week, we have taken time to reflect on the core foundation of our school community at Bishop Aldhelm's. In Worship on Monday, the children were introduced to our chosen Bible story - the Parable of the Good Samaritan - which underpins our school vision and reminds us of what it truly means to put love into action every day.

In class worship today, the children spent time exploring the key value of **Love** through reflection activities. They considered how, like the Good Samaritan, we are called to notice those around us, show unconditional kindness and extend care to everyone in our community and beyond. Over the coming weeks, we will continue exploring how our school values guide our words and actions across every classroom.

Luke 10:27

“Love the Lord your God with all your heart and with all your soul and with all your strength and with all your mind”; and, ‘Love your neighbour as yourself.’”

Our School Prayer

Dear God, Father, Son and Holy Spirit,
May we be **creative**, have **courage**, and show **respect**.
Teach us to work in **unity** and share your **love** with others.
Help us to live by these values every day.
Hear this prayer from all our hearts,
Amen.

Parking Reminder for Parents & Carers

We would like to remind all families to park safely and considerately when dropping off and collecting children from school.

The safety of our children, staff, families and members of the local community is extremely important to us.

We have recently received concerns from our neighbours regarding inconsiderate parking, and we are disappointed that some parking practices are causing difficulties for those who live nearby.

Please help us by:

- Parking legally and safely at all times.
- Paying attention to areas with parking restrictions- the zig zag lines by the roundabout is a no-stopping zone during school times and must not be used for parking.
- Parking clear of driveways, dropped kerbs and access points.
- Being considerate of our neighbours and local residents.
- Driving slowly and carefully around the school site and surrounding roads.
- Allowing extra time where possible to find an appropriate parking space.

We value the positive relationships we have with our neighbours and appreciate your support in helping us maintain these.

By working together, we can ensure that everyone remains safe and that the school continues to be a good neighbour within the community.

Thank you for your cooperation and understanding.
