Prayerful Reflection – 21st January 2026

Continuing with our focus on our wonderful world, we have been thinking this week about some of the ways that we damage the world that we live in and how we can be more protective of it.

Genesis 9:13

“ I have set my rainbow in the clouds, and it will be the sign of the covenant between me and the earth.”

Dear God,

Thank you for the creation of our wonderful world. You have asked us to care for it: help us to be courageous and speak up when there is damage being done. Amen.

Time Together: Parents Evening Dates 25th & 26th February

Our next Parents Evening will take place on Wednesday 25th February and Thursday 26th February.

Booking for appointments will go live on the MCAS app on 28th January. Please log in on or after this date to secure a time slot.

Attending parents' evening is an important part of supporting your child's education. It gives you dedicated time to talk to your child's teacher about how they are getting on in school - not just academically, but also socially and emotionally.

When parents and teachers communicate regularly, children feel more supported. Your involvement really does make a difference and is a great way to stay connected with your child's learning journey.
