Prayerful Reflection – 22nd April 2026

Continuing with our theme of British Values, we have looked at the value of individual liberty. We talked about how each person has dignity and freedom as a unique and valued individual.

John 8:32

“Then you will know the truth, and the truth will set you free.”

Dear God,

Thank you for making each of us unique and special.

Help us to make good choices and to use our freedom wisely.

Give us courage to be ourselves,

And kindness to respect the choices and feelings of others.

Guide us to do what is right, even when it is hard, and to grow into confident, caring people.

Amen.

Summer Term Tests

As we move into the summer term, we are mindful of the pressures that tests and assessments can bring to our children. It is important that our children are able to navigate through this time with a sense of routine and calm.

At our school, we do not want to put unnecessary pressure on our children to perform. We believe in creating a supportive and nurturing environment where children can thrive and grow holistically. It is important that this ethos is also supported and reinforced at home.

If you feel that your child is struggling with the pressures of tests or assessments, please do not hesitate to reach out to their class teacher. We are here to support and guide your child through this time.

Let us work together to ensure that our children are able to navigate through the summer term with grace and resilience.

Thank you for your continued support.
